DEFENDANTS

ORDER

Rashad recently alerted the Court of a change of address, *No* 47. But mail sent to Rashad's new address has been returned as undeliverable, *No* 48. In March, Magistrate Judge Jerome T. Kearney advised Rashad to the Local Rule requiring *pro se* litigants to keep a current address on file with the Clerk. *No* 3; Local Rule 5.5(c)(2). The Court reminds Rashad of that Rule now. If he does not submit a current address by 31 January 2014, the Court will dismiss his complaint without prejudice for failure to prosecute.

So Ordered.
